

Aligning with the Common Core

Our tours and curricula are designed to support our students in meeting the standards. Below is a selection of Common Core State Standards that our tours, workbooks, and teacher's guides address:

Speaking and Listening:

- Participate effectively in a range of conversations, building on others' ideas and expressing their own clearly
- Integrate and evaluate information presented in diverse media and formats, including visually and orally

Reading:

- Determine what the text says explicitly and to make logical inferences from it
- Cite specific evidence when writing or speaking to support conclusions
- Interpret words and phrases as they are used in a text
- Integrate and evaluate content presented in diverse media and formats, including visually and quantitatively, as well as in words

Language:

- Apply knowledge of language to understand how language functions in different contexts
- Determine or clarify the meaning of unknown and multiple-meaning words and phrases
- Acquire and use accurately a range of general academic and domain-specific words

Writing:

- Gather relevant information from multiple print and digital sources
- Draw evidence from informational texts to support analysis, reflection, and research
